Riverplace still looking for speakers. Brenda is compiling a list of all the commitments that are currently being fulfilled in order to improve coordination of these commitments. On the Nationwide level, new people have accepted positions and lists will be compiled nationwide regarding

commitments being fulfilled.

Institutions Report:

Brenda reporting.

Representative from Dakota County Jail is attending the meeting, looking for people to bring a meeting in, as no commitment has been filled there for 4 to 5 months. The need is high, and he has space and availability. Something got accomplished in the meeting!

Public Information Report:

Minutes have been posted. Any information that changes as of tonight will be updated after the meeting. Some confusion about the Picnic having been posted to the website. It will be posted ASAP.

World Delegate Report:

Brandie has numbers for all the conference calls that happen each month and is forwarding them on to the appropriate chairs and would love to see us represented in them. The report from World Conference will be posted to the website. More hubbub about the sex in sobriety pamphlet. Stories are still greatly needed to complete booklet to send into institutions in advance of meetings being held. First Public Service Announcement was approved by GSC. More volunteers are needed to fulfill the World hotline commitment. Last year 7 people fulfilled the commitment, and one person had answered 7,000 voicemails, so the need is great.
